Watch also for the Serengeti's famous lion prides. And that's just the start. Some of the largest and most diverse wildlife populations on the planet roam the Serengeti, not to mention millions of wildebeest and zebras who migrate across the plains every year.

## Tarangire National Park

Enjoy a close look at elephants and baobabs here in Tarangire. You'll also see wildebeest, giraffes, hippos, buffaloes, baboons, vervet monkeys, zebras and, if you're lucky, lions.
